

HIGH PERFORMANCE WIPERS

Cleaning up the Environment One Room at a Time

PerfectCLEAN® is made from the highest quality micro-denier bi-component fiber available:

- Covered by one or more International patents including “infinity edge”
- Durable and chlorine stable - designed to meet CDC guidelines for Blood Borne Pathogens
- Independent Laboratory Analysis demonstrates that PerfectCLEAN is superior to all cleaning materials tested.
- Independent Laboratory studies demonstrates C dif spore, virus and endotoxin removal.
- Highest absorption capacity of any product tested and *absorbs it faster – 300 + gSM*.
- True Color coding for distinguishing between bathroom, patient room, food prep or any other use. (*the color “ORANGE” is a registered trademark of UMF™*)
- Helps reduce cross-contamination.

All-Purpose Terry Wiper

MATERIAL: **TY280WK100AM**
