DRIP TRAY ASSEMBLY FOR METROMAX I SHELF

Must mount on a MetroMax i shelf or 4-sided frame.

24x36" (610 x 914 mm) shelf

Cleaning instructions

- Plastic drip trays may be washed in a dish machine or by hand using mild detergents and a soft cloth. Do not use a rough bristled brush as it may damage the plastic. The plastic drip tray material is high density polyethylene. Do not use abrasive substances to clean the product.
- The aluminum drip tray holder may be washed by hand with mild detergents and soft cloths or soft bristled brush. Do not use a rough bristled wire brush as it may damage the material.

THIS COMPLETES INSTALLATION OF THE METROMAX DRIP TRAY UNIT

We put space to work.
